

# TAKE A SEAT!

Dedicate a seat in El Teatro as a wonderful way to memorialize or honor a loved one and support the nation's first Latino and Latin American cultural institution.

## HONOR A LOVED ONE

Gift a unique seat dedication in El Teatro to celebrate birthdays, anniversaries, new babies, graduations - anytime the event and the person are special. El Teatro one of the oldest theaters in Harlem, the largest performance arts space within a museum in the nation, and home to El Museo del Barrio's performing arts programming.

## GIFTS OF IMPACT

El Museo del Barrio inaugurated this program to dedicate seats in El Teatro as part of our 50th anniversary. Your gift will go toward the care of this East Harlem gem and its programming. By dedicating a seat, you will support our efforts to make theater and performing arts available and accessible for all.

## TAKE A SEAT TODAY

Choose the seat(s) in El Teatro that you would like to dedicate, and with your contribution, we will install a personalized plaque on the seatback, naming your honoree. Donations for dedication may be made for \$3,000, \$1,500, and \$1,000. Your contribution is 100% tax deductible.
